1. Please read this notice thoroughly and carefully. Also, be sure to follow the “General Schedule”, and keep valuables in your possession at all times. Remember your court and bout numbers. Please take your garbage with you, out of the venue. We aim to keep the tournament venue clean as a dojo, and we ask for your cooperation. You are not allowed to drink/eat in the arena area.
2. There will no registration for competitors. Please gather at your court at the designated time and participate in the Opening Ceremony (competitors for Kumite on the 1st Day, and those only participating in the Rookie category are asked to come to the venue in time for their bout). However, competitors who need weighing must be present for the weighing.
3. Lunch Box Exchange Tickets and Souvenir Exchange Tickets are given to competitors (**Kumite participants on the 1st day will not be given lunch**), and they will need the ticket to receive their lunch box and souvenir. The lunch box ticket for the 1st day will be blue, and the ticket for the 2nd day will be green. Lunch boxes and souvenirs will not be given to participants without this exchange ticket.
4. As announced earlier, there has been a change in the time of bout of the Competition Rules, and there will be no 2nd extension in this tournament, and all Kumite categories will end after 1 extension.
5. To secure the safety within the arena, please refrain from sitting and creating spots for your own with bags and other items. Warming up and filming with a monopod/tripod is also not allowed in the arena (warming up in the sub-arena is ok).
6. Competitors participating in the Light & Middleweight categories will need to be weighed at the time and place (sub-arena) specified by the organizer. At this weighing, if the competitor’s weight exceeds or does not meet the specified weight for each class, he/she shall be disqualified. If there is a weight difference of 7 kilograms and more between the weight in the entry application and the weight checked at the weighing at the Gymnasium, the competitor will be disqualified. The competitor must also be weighed within the time frame specified by the organizer, and if he/she is not able to do so, the competitor will be disqualified. Competitors must be punctual for the weighing and wear a T-shirt and Dogi pants (the official weight for the tournament will be 1kg less than the weight at this weighing). 1kg will not be subtracted for competitors who do not show up in the above clothing (t-shirt, dogi pants). The weighing time for Lightweight competitors in the Senior Men & Women on the 1st day is 13:30 to 14:00 on August 6, and the weighing time for Lightweight & Middleweight competitors for the 2nd day will be 16:00 to 19:00 on August 6. Please prepare your own set of official protectors, based on the protector guideline. Please be sure to wear the foul cup/under guard underneath the dogi. Certain taping is allowed if a competitor sees a Tournament Doctor with a medical document. Stamping on taping will be available at the Tournament Doctor’s seat.
8. Women competitors should wear **white T-shirts under their Dogi**. Competitors with long hair should tie up their hair with a rubber band, etc. Hair accessories (wigs, hair bands, etc.) and make up (including manicure, and fake nails) will not be allowed at the bouts. Please be sure to wear your under guard under the dogi.
9. Accessories such as pierced earrings and bracelets are not allowed for safety. If any injuries should occur due to the wearing of accessories, the competitor who wore the accessory must take full responsibility (including compensation). Do not dye or bleach your hair. If there is any need for the competitor to cover his/her tattoo, please report so at the timing of registration.
10. The entry number will be sewn on the competitor’s dogi by the organizer. As announced earlier, please have the team leader

gather at the sub-arena of the Tokyo Metropolitan Gymnasium between 14:00 to 15:00 on August 5 (Fri.), with the competitor's dogi (top only) well organized. The dogis with the entry number sewn properly will be given back to the team leader from 9:00 on August 6 (Sat.).

- The groin will refer to Foul Cups for Males and Under Guards for Females. Both will be required to wear the protectors **inside** their dogis.
- The head guards will not be prepared by the Tournament Executive Committee. All competitors are expected to have their own head guard, protectors, and red belt/red mark set in advance, so that they have the items for their bout.
- All of the protectors should be made of cloth (except for the groin protectors), white in color, and the rubber area should not be loose.
- Recommended products will be sold at the tournament venue, and in advance for WKO Branch Chiefs/Contacts. (please refer to Protector Guideline) Since there will be no Branch Chief/Contact price at the tournament venue on August 6-7, those who wish to purchase the official items with a discount (Branch Chief/Contact price) need to contact ISAMI or Martial World beforehand, and make the order prior to the tournament.
- The use of a mouth piece and a belt holder is optional for all above categories.
- Men will be expected to wear dogi + protectors, and women will be expected to wear dogi + white t-shirt + protectors.
- Those who need taping will need to bring a valid medical document suggesting such measure, and present their case to the tournament doctor on tournament day.
- Failing to prepare the above protectors (official items) by your bout, regardless of the reason, will result in disqualification, and the organizer will not accept any complaints related to such matter.
- Kata competitors will also need to prepare the Red Belt/Red Mark set, for they will need to wear the red belt for the Kata competition (to differentiate between “red” and “white”).
- The official product of the Heart protection pad: Product No.D-410 to D-418, by D & M Corporation. The use of other products is not allowed in this tournament.

Regarding Hansoku (Fouls) at the KDF2016 International Championship

There is a recent trend within WKO, especially at the World Open Karate Championship and World Karate Championship in Weight Categories, to take Hansoku (fouls) in a strict manner. In order to realize fair refereeing, we will take Hansoku (fouls) in a strict manner at the Karate Dream Festival 2016 International Championship as well, so for the competitors, please be careful to avoid actions that are considered Hansoku (fouls).

Please read the competition rules very carefully, especially the part concerning Hansoku (fouls) such as “Tsukami (grappling)”, “Kake (hooking)”, “Oshi (pushing)”, “Kakaekomi (hugging and holding)”, and other actions.

*“Tsukami (grappling)”-Not only grabbing the dogi, but grabbing the opponent’s fist is also a Hansoku (foul).

*“Kake (hooking)”-Attacking (Hizageri, etc.) the opponent while hooking the opponent’s head, neck, shoulder, and back is a Hansoku (foul).

*“Oshi (pushing)”-Not only with open hands, but pushing with the fist is also a Hansoku (foul).

*“Kakaekomi (hugging and holding)”-Regardless of from top or from under, the competitor who initiated such action will be given a Hansoku (foul). If it is at the same timing, both competitors will be given a Hansoku (foul).
